

| Pos | Part Number | Description                    | Additional Text      | Quantity |
|-----|-------------|--------------------------------|----------------------|----------|
| 1   | 55638070033 | Oilfillercap cpl.              |                      | 1.00     |
| 2   | 55638061020 | Filler plug oil tank           |                      | 1.00     |
| 3   | 55638062000 | Oil level sensor               |                      | 1.00     |
| 4   | 55638065200 | Tube                           |                      | 1.00     |
| 5   | 55738061060 | Angle piece oil tank           |                      | 1.00     |
| 6   | 55738061000 | Oil tank                       |                      | 1.00     |
| 7   | 61238016100 | Oil Screen                     |                      | 1.00     |
| 8   | 55641075000 | Crankcase Pressure Sensor CCP  |                      | 2.00     |
| 9   | 55738061070 | Sensor cover                   |                      | 1.00     |
| 10  | 55738061040 | Oil pump bracket               |                      | 1.00     |
| 11  | 0025060126S | Hex collar screw M6x12 ISA30 s |                      | 2.00     |
| 12  | 55638064000 | Oil pump                       |                      | 1.00     |
| 13  | 00050271708 | VARIABLE ONE-EAR CLAMP 27,1MM  |                      | 3.00     |
| 14  | 0081645121  | EJOT DELTA PT SCREW 45X12-Z    |                      | 3.00     |
| 15  | 0081050181  | SCREW FOR PLASTIC K50X18 T20   | 300 TPI Erzbergrodeo | 2.00     |
| 16  | 59007017000 | CLAMP YDNAC 10096F (9,6MM)     |                      | 1.00     |
| 17  | 58431082100 | YDNAC-clamp 10173 (16MM)       |                      | 1.00     |
| 18  | 55538086000 | Clamp 1                        |                      | 2.00     |
| 19  | 55538087000 | Clamp 2                        |                      | 2.00     |
| 20  | 55538083044 | Tube set, oil tank             |                      | 1.00     |
| 21  | 0025060506  | HH collar screw M6x50 TX30     |                      | 1.00     |
